

**RFP # 1007 - Police Department Transcription Services  
Questions & Answers #4  
March 18, 2010**

**Can companies from outside of the USA apply for this? Can companies perform the tasks outside the USA?**

We are accepting bids without limitations on where the work is actually performed; however, we would prefer to use a company located within the United States. All references will be checked thoroughly and the finished work product will be one of our determining factors.
