**CONE AND DRUM REQUIREMENTS**

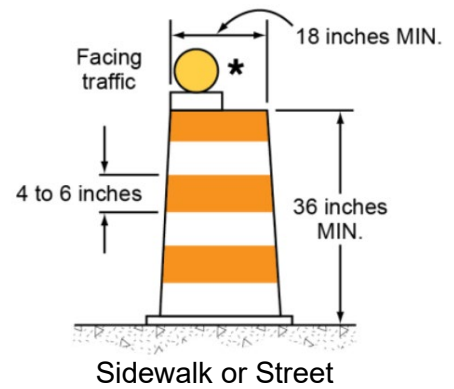

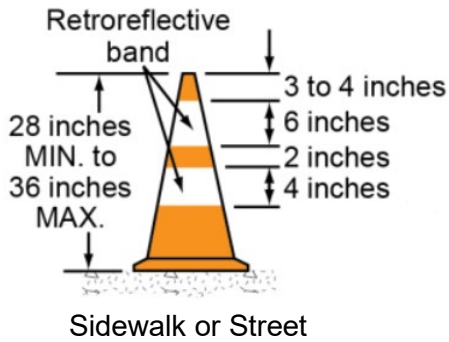

Owner or contractor shall attach a drawing showing the location of the proposed dumpster on the street or alley. The drawing shall indicate the distance to alleys, fire hydrants, driveways, street signs and the nearest street intersection. Dumpsters shall be placed in front of, behind or alongside the business or residence where the work will take place.

The owner or contractor shall be responsible for the repair of any damage to curbing, street, sidewalk and any utilities damaged by the placement of the dumpster.

The owner or contractor shall be responsible for the placement and maintenance of the approved barricade at each end of the dumpster as shown below.

All work zone set-ups within the City of Piqua right-of-way shall comply with the requirements as set forth in the Ohio Manual of Uniform Traffic Control Devices.

**EXAMPLES OF APPROVED CONES AND BARRICADES**

**TERMS AND CONDITIONS**

The "OWNER/CONTRACTOR" shall be permitted the use of one dumpster not more than 30 consecutive days. The OWNER or CONTRACTOR'S responsible person on-site at the project location must use the dumpster for the specific property address. All work done is subject to the terms and conditions of the City of Piqua Street Specifications and this permit may be revoked for violations.
