ADDITIONAL INFORMATION

- Sanitary sewer connection in on/an existing main will need to be inspected by the Underground Utility Department. Please contact the Underground Utility Department at 937-778-2018.
- Sanitary sewer connection in/on private property will need to be inspected by the County Plumbing Inspector. Contact the Miami County Health Department at 937-440-5450 for the permit.
- Sanitary sewer main installation will be inspected by the Underground Utilities Department throughout construction. Contact the Underground Utility Department at 937-778-2018.
- Construction Design Criteria and Standard Drawings for Sanitary Sewers can be found on the City of Piqua website under the Engineering Division of the Community Services Department.

ADDITIONAL PERMITS THAT MAY BE REQUIRED

- A Plumbing Permit will also be needed from the Miami County Health Department, 937-440-5450.
- If any part of the right-of-way, including the sidewalk, tree lawn, parking spaces, 1 travel lane or the entire street or alley is temporarily closed, then a Closing Permit is needed from the City of Piqua Engineering Division, 937-778-2044.
- If excavation takes place in the right-of-way, then a Right-Of-Way Permit is needed from the City of Piqua Engineering Division, 937-778-2044.
